Graduation Requirements Summary

Minimum Total Hours	Minimum Major Requirements Hours	College & Program Requirements Hours	Carolina Core Hours	Minimum Institutional GPA
120	54	23-35	31-43	2.00

- Regardless of individual course grades, students must maintain a minimum 2.00 cumulative GPA.
- Some colleges require a minimum GPA for major courses. Courses indicated below are included in the major GPA for this program of study.
- The [Carolina Core](#) provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- College of HRSM students must demonstrate proficiency in a foreign language by achieving a score of 2 or higher on the foreign language placement test, or credit equivalent to USC 109 and 110 courses, or credit equivalent to the USC 121 course.
- Supervised work experience in an area of the retail industry, selected by the student and approved by the Retailing Internship Director.
- The Retailing major curriculum includes 2-14 hours of approved (free) electives, depending on how students fulfill the Carolina Core requirements and whether or not students choose a minor.
- RETL Electives** (6 hours): Some RETL electives have prerequisites that must be completed. Check each course's description in the Bulletin for information. Select 2 of the following: **RETL** 115, 116, 237, 330, 350, 351, 362, 388, 460, 472, 485, 487, 530, 535, 551, 562, 569, 590, 592.
- Internship experience within the industry that prepares students for permanent placement. Students are responsible for securing their own internship and should contact the internship director for resources to identify opportunities of interest and to seek approval once an internship has been secured. Students are not permitted to enroll in RETL 495 without seeking the approval of the internship director first. It is strongly recommended that students not take additional courses while completing RETL 495. Students will not be permitted to enroll in more than 13 total hours while completing RETL 495.

Program Notes:

- Courses designated as critical (!) may affect time to graduation due to prerequisite requirements for subsequent required courses.
- All undergraduate students must take a 3-credit course or its equivalent with a passing grade that covers the founding documents. This course may fulfill any requirement in the program of study. Courses that meet this requirement are listed in the academic [bulletin](#).
- Clarification of RETL 295: Retailing Practicum vs. RETL 495: Retailing Internship
 - RETL 295: Retailing Practicum—a practicum is a job in retailing or a closely-related field, for example, as a clerk or an associate in a store, boutique or gift shop, in an insurance or real estate company, in a bank or other financial institution, etc.
 - RETL 495: Retailing Internship—an internship gives the student more responsibility and an intense experience in retailing or a closely-related field and may take one of two forms:
 - the student is participating in an employer's formal internship program as an intern, or
 - the student is interning for an employer that does not have a formal internship program; however, the student is working in a position on a higher level than the practicum; for example, as an assistant manager, an assistant buyer, a manager trainee, etc.
 - Students must complete RETL 295: Retailing Practicum before they can enroll in RETL 495: Retailing Internship. Both are required for the Bachelor of Science Degree in Retailing.
- No courses of remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward the Bachelor of Science Degree in Retailing.
- The last 30 credit hours toward your degree must be earned in residence at the University of South Carolina-Columbia.

University Requirements: Bachelor's degree-seeking students must meet Carolina Core (general education) requirements. For more information regarding these requirements, please visit the [Carolina Core](#) page on the University website.
