1 Check In

Stop by the Career Center front desk and ask to use the IRIS Headshot Booth. We'll confirm availability and point you in the right direction.

2 Step Inside

The booth is private and easy to use with no experience needed. You'll have professional lighting, a perfectly placed camera, and simple on-screen instructions.

3 Follow the Prompts

The screen guides you through positioning, posture, and taking your photos. You can take multiple shots and retake them until you're happy.

4 Pick Your Favorite

Review your photos, choose the best one, and make light edits.

5 Get Your Photo

Your final headshot will be emailed to you or available via download. You'll be ready for LinkedIn, Handshake, and more in no time.
