

CAROLINA CAREER READY

CORE CAREER COMPETENCIES

Career & Self-Development

Own your growth.

Take charge of your personal and professional development through self-reflection, goal-setting, and lifelong learning.

Build it at USC.

Meet with a Career Coach, attend workshops, and connect with mentors who help guide your journey.

Example behaviors:

- Set goals and create action plans to reach them.
- Ask for feedback and apply it to improve.
- Explore new opportunities to learn and grow.
- Take initiative in your own success.
