Introduction

The Annual Chapter Expectations Program (ACE) was developed by the Office of Fraternity and Sorority Life (OFSL) to establish clear expectations for chapter operations, inspire the growth and development of the community, and evaluate the quality of fraternity and sorority chapters at the University of South Carolina (USC). To promote transparency within our fraternal community, results of this program are published on the OFSL website, social media, Guide to FSL, and other promotional materials. Potential new members and their families are encouraged to review the results prior to joining.

Fraternities and sororities at USC are expected to reach the minimum expectations set forth in this document. Fraternities and sororities will experience requirements that are above and beyond those of other registered student organizations. OFSL will provide training, aid, and resources for all fraternal organizations to meet the ACE requirements. Organizations not achieving minimum expectations will work in conjunction with OSFL to create plans for improvement and future success. OFSL will coordinate check-ins to assist the organization president and advisors in determining their progress to becoming a chapter of excellence. Additionally, OFSL will conduct an annual ACE review each fall term. Organizations will turn in proper documentation for review on their achievement of these expectations each year.

Program Outline

Scoring

The following areas will be evaluated and scored annually:

1. Programming and Development	280
2. Service and Philanthropy	120
3. Academics	100
4. Chapter Operations	250
5. Excellence (Bonus Points)	250
Total	1000

Opportunities may arise throughout the year for bonus points to be available. The Office of Fraternity and Sorority Life will announce these opportunities and how to obtain the points in a timely fashion.

Due Date

The chapter submission is due using the online form by 11:59 p.m. on Friday, November 20, 2026.

Late Policy

There will be a 50-point deduction for each day the chapter submission is late. The deductions will continue to accrue until the submission is received.

Designation Criteria

951 - 1000 of possible points	Exceeds Expectations with Distinction
851 - 950 of possible points	Exceeds Expectations
750- 850 of possible points	Meets Expectations
Below 749 of possible points	Does Not Meet Expectations

Forms

All forms can be found on the [Forms](#) page of the FSL website, under Annual Chapter Expectation.

- Chapter ACE Submission – Submitted throughout the year
- End of Semester – Submitted at the end of each semester

Performance Improvement Plan

Chapters that fall under 749 points (Does Not Meet Expectations designation) will work with OFSL to develop a performance improvement plan. When chapters do not meet minimum standards, the following plans will be enacted:

- Year 1: Chapter president and chapter advisor(s) will meet with OFSL coach to develop a performance improvement plan to meet minimum standards that is shared with inter/national headquarters representative(s).
- Year 2 (consecutive): Chapter leadership, chapter advisor(s), and inter/national headquarters representative(s) will meet with OFSL coach to discuss the previous years' ACE performance, goals for the next year's ACE cycle, the chapter's relevancy to the community, and to create a performance improvement plan to meet minimum standards.
- Year 3 (consecutive): An Organization Review Committee, comprised of the Assistant Dean of FSL, Director of the Leadership and Service Center, Dean of Students, respective council president, and an alumni/a representative from the respective council, will review the organization's status on campus as a registered student organization based on a chapter presentation and review of chapter operations. Included in the review process will be the creation of a performance improvement plan.

Designated Alternates / Program Substitution

In the case that a specific officer required to attend a program is unable to attend, such as chapter president for the Leadership Summit, the chapter may select a designated alternate to attend in their place.

If no designated alternate is available due to a conflicting inter/national program of similar content, such as an executive board attending a regional conference during the Elevate Conference, the chapter can request the inter/national program be substituted for ACE credit. These requests must be made in writing in advance to the OFSL chapter coach. Please note that chapter level programming such as service/philanthropy, social events (i.e. away weekends), new member education, etc., would not count for substitution.

Programming and Development (280 pts. Total)

Service and Philanthropy (120 pts. Total)

Community service is defined as “hands-on service to an organization, cause, or community.” Examples include volunteering at the humane society, working at a food bank, highway cleanup projects, and serving as a reading buddy at an elementary school. In order to earn community service hours, a member must give time rather than funds or items.

Philanthropy is defined as “raising money [or in-kind donations] through an activity or fundraising that supports a charitable cause” and differs from community service. Purchasing items to donate, donating items, or donating money is a philanthropic act, not community service.

Participating in or attending a philanthropy event does not count as community service, but time spent performing an essential function can be counted (ex. handing out water during a race, crowd management, checking people in, etc.).

1. Community Service Event (40 points)

Chapters should host at least one community service event each semester. Events can be one-time or recurring but should include a significant number of members participating.

- a. How to earn points:
 - i. 40 points – Chapter hosted a community service event in both the Spring and Fall semesters
 - ii. 20 points – Chapter hosted a community service event in either the Spring or Fall semester

- c. Submission: Chapter submits the Chapter ACE Submission form.

3. Transition Meeting and Document Review (40 points)

Effective transitions are crucial for the success of an organization. The outgoing and incoming president should meet with their chapter advisor and OFSL coach to formally transition. Meeting will include full review of all transition documents provided by outgoing chapter leadership.

- a. How to earn points:
 - i. 40 points – Outgoing and incoming president met with chapter advisor and OFSL chapter coach
- b. Due Date: After chapter elections

- c. Submission: Attendance tracked by OFSL and Chapter submits the Chapter ACE Submission form.

4. Strategic Plan (50 points)

Chapters should develop a strategic plan to guide their efforts. Training on strategic planning is provided in the Plaid AboveBoard modules, during the Leadership Summit, and a facilitator guide will be provided to chapter presidents. Strategic plans should include the mission and vision of the organization, a complete SWOT analysis, and a strategic plan using the G.O.S.T. model. Additionally, chapters will need to submit the summer strategic plan document before August 1, 2026 to receive full points.

- a. How to earn points:
 - i. 50 points – Chapter provides a strategic plan and complete summer strategic check in form by deadline.
 - ii. 25 points – Chapter provides a strategic plan with two of the three required components and complete summer strategic check in form by deadline.
